

Access Information DAF RMI

Currently, as an IO (independent operator), you can request full access to DAF RMI – Both Parts and Service information.

In the future, as an IO (independent operator), you can request access to DAF RMI in three different ways:

1. Full access to RMI – Both Parts and Service information
2. RMI Parts - Only Parts information
3. RMI Service - Only Service information

The differences between the types of access are described in the table below.

| Full Access RMI | RMI Parts | RMI Service |
|-----------------------------|-------------------|-----------------------------|
| Assortiment | Assortiment | Assortiment |
| Parts Bulletins | Parts Bulletins | |
| Service Bulletins | | Service Bulletins |
